## More Drawings for the Church “Rape Tool–Kit”

Jethro Longwe (artist) has developed five more stories for the church “rape tool-kit” that will be made into a booklet to be used in churches to break the silence about rape.

They are very illustrative and will probe people to provide their views and engage people into expressing themselves about rape and sexual assault from a church perspective.

### FOL Mission:

Fountain of Life restores self-esteem, returns smiles and revitalizes a vision for the future in the lives of innocent children, women and men who have been victims of rape.

These young women and girls need to be **CARED** for. To heal. To make sure this horrible act does not destroy or define the rest of their lives.
